

Friday November 29<sup>th</sup> 2024,

Dear parents,

The final day of the first term of the 2024/2025 academic year is Friday December 13<sup>th</sup>. On this day, students will be dismissed from school at the earlier than usual time of 12.00.

We have also made some adjustments to some longstanding routines, as follows. Our end-of-term Christmas assembly will take place a day earlier, on Thursday December 12<sup>th</sup>. The assembly will begin at 13.45 and will finish at 15.15. Parents are welcome to attend this assembly, and we will follow the same pre-registration processes which were in place for our Deepavali assembly earlier this term. Following the assembly, any parents who attended can simply leave the campus with their children. Students whose parents were not able to attend the assembly will follow normal pick-up procedures, with all remaining students collected from school at 15.15.

Parents should note that Wednesday December 11<sup>th</sup> is a public holiday in Selangor, and that Straits International School Rawang will be closed on that day.

On Thursday December 12<sup>th</sup>, students can wear either Christmas-themed attire or their complete and correct Straits International School Rawang uniform.

On Friday December 13<sup>th</sup>, a range of sessions will be planned for students, including some class events and House competitions. This means that students can wear their PE kits on this day. As is always the case, food should not be ordered online via external companies by either parents or students for consumption on the school campus.

Assessments in both the primary & secondary phases will be completed by the beginning of the final week of this term, and lessons will continue as normal all the way to our Christmas assembly. Both standards and expectations will remain high for students, teachers and other professionals alike, with no

changes to normal daily routines.

Yours sincerely,

Steven Miles.

Campus Principal – Straits International School Rawang
